MONDAY MAIL NEWS AND ANNOUNCEMENTS

INDEX

- DPS Report Card (3-9 only attached)

1-) HARMONY BUSINESS BREAKFAST

Harmony Science Academy has arranged a business breakfast for the business people in Laredo. The purpose of the breakfast is to establish a partnership with the Laredo community. This partnership will address the skills that our students need to be successful after graduation. These skills will be the basis for our new high school graduation requirements. Thus, Harmony Science Academy - Laredo is opening its door to the businesses in the area by sending our students to the establishments. We would like for them to serve as a volunteer in the Laredo community. This will certainly provide an opportunity for our students to gain experience before they join the workforce. If you have a business or member of an organization, you can come to the breakfast on March 10, 8:30 am at Harmony Science Academy-Laredo.

Please confirm your participation via email at azorba@harmonytx.org or by phone at 956-712-1177 on or before Friday, March 5, 2010 to let us know if you will attend.

2-) CHOCOLATE FUNDRAISING

We have officially begun our Chocolate sales campaign. This year, we are fundraising for computers in the classrooms, for the digital school sign and all the field trips for rest of the semester. It is our goal at HSA-Laredo to have computers in all of our classrooms. These computers will be used for accelerated reader, research, technology, etc. It is our goal for each student to commit themselves to selling 2 boxes (50 bars per box-2 box per family). We will give the chocolates to the students with the signature of parents or students and they will be responsible for turning in the money to the front office. Parents can get as many boxes as they want if they pay the amount when they get the chocolates. There is no restriction for getting many chocolates. The deadline to turn in all the money is April 5, Monday. We need a lot of parent support to reach our goal. This fundraising is also a contest. HSA is having a school wide contest. Listed below are the categories and prizes.

Grand Prize- \$100.00 Gift Card

2nd Place Seller-\$50 Gift Card

3rd Place Seller-\$40 Gift Card

The homeroom which sells the most boxes will get a free lock-in at the school (free pizza, soda, movie and lots of fun)

3-) HSA-LAREDO GOT FIRST PLACE IN REGIONAL SCIENCE OLYMPIAD

Harmony Science Academy has participated in Regional Science Olympiad competition at TAMU on Saturday, March 6. Our students have competed in 10 different categories. Disease Detectives, Ecology, Compute This, Meteorology, Elevated Bridge, Fossils, Anatomy, Trajectory, Dynamic Planet and Solar System. Our students got 5 first place, 2 second place and 1 third place. Our students will represent our school in the State Finals at T&M College Station on April 23-24. We would like to congratulate our students and teachers.

4-) RIO GRANDE VALLEY SCIENCE AND ENGINEERING FAIR

Harmony Science Academy has participated in the regional science fair competition at University of Texas at Brownsville. Five students represented our school in the science fair. Ayeesha Mohammed 6B got second place in the competition and she will represent our school in the State Wide Science Fair Competition on April 9-12. Also Ivan Mota 7B and Nikolay Nedev 6B got 5th places in the competition. Aren Raymond has received special award. We would like to congratulate our students and parents.

5-) SPRING BREAK

There will be no school during the spring break between March 15 and March 19. The classes will resume again on March 22. We would like to say that have a safe trip if you go somewhere and enjoy your break.
